ROÇA MAX 1500/ 1800 / 2000

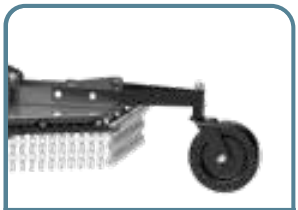
SLASHERS

JF ROÇA MAX: MORE COVERAGE, MORE PERFORMANCE.

Built for demanding jobs, the JF Roça Max lineup is available in the 1500, 1800, and 2000 models, delivering high performance, uniform cutting, and outstanding durability. Featuring reversible blades, adjustable cutting height, and easy maintenance, it covers more ground efficiently, safely, and in less time.

FEATURES

- Reversible blades, longer life, and lower operating costs
- Protective deflectors for enhanced safety
- Uniform cutting and an excellent finish over large areas
- Adjustable cutting height for any operating condition
- Wider cutting width for greater productivity per hectare
- Easy maintenance, less downtime



Swivel gauge wheel with bearings

Front and rear protective deflectors against thrown objects

Side skids with 5 cutting height adjustment positions
